Dear Ben,

RE: Professional Body support for sector specific qualification

Qualifications:

Active IQ Level 3 Diploma in Physical Activity, Fitness and Exercise Science (601/6042/1)
Active IQ Level 3 Diploma in Personal Training for Health, Fitness and Performance (601/9003/6)
Active IQ Level 3 Extended Diploma in Personal Training for Health, Fitness and Performance (601/9002/4)

I am writing to you to pledge CIMSPA's support for the above qualifications with the understanding further sector and employer engagement will be sought regularly for the purpose of currency through the life of the qualification.

The Chartered Institute for the Management of Sport and Physical Activity (CIMSPA) is the professional development body for the UK's Sport and Physical Activity industry. The mission and vision of CIMSPA is to develop a vibrant, UK wide Sport and Physical Activity industry, led by professionals, providing advocacy and leadership whilst working in partnership with stakeholders to help ensure the highest standards of service delivery. The primary objective is to "define and facilitate professional development". In order to do so the Institute will work in close co-operation with related organisations to define and manage the career pathway for professionals in the Sport and Physical Activity industry.

These qualifications are recognised as contributing to an individual's professional and personal development in the sector and supporting their career progression. The above qualifications are recognised as meeting the requirements for the Personal Trainer Professional Standard.

Further guidance on practical assessment will be issued to all centres delivering the qualifications shortly, this is to support the delivery and ongoing requirements of the qualification endorsement by CIMSPA.

Yours sincerely

Colin Huffen. MCIMSPA.
Head of Education.
