Dear Lee

**New Level 4 Certificate in Sports Massage Therapy (QCF)**

The Sports Massage Association are the specialist members Professional Association for Sports Massage and have been closely associated with the development of the new suite of sports massage qualifications at level 3, 4 and 5.

We are very pleased to confirm that the level 4 qualification is in our opinion fit for purpose and provides a direct progression from level 3. It gives the students the skills and knowledge to work on post acute injury and pre existing conditions, in addition to dysfunctional function which they will have mastered at level 3.

Kind regards

Rodger Davis
